

JOBS BY INTEREST

Job titles to help you start thinking about possible career options

Making decisions about your career involves..

1. **Knowing yourself** and understanding what is important to you
2. **Discovering** what is available in the world around you- jobs, courses, training
3. **Making choices** about what options are right for you and taking steps to get where you want to be.

Follow these steps to get some ideas about jobs that may be right for you.

1. Think about the activities that interest you at school, in your free time

This will give you a feel for the interest areas that may suit you

2. Pick an area and look at the jobs in it

This will help you start thinking about jobs that appeal to you.

3. Use the checklist at the back of this booklet to record the interest areas and jobs you want to find out more about.

For your work attachment you may choose sectors that will allow you the opportunity to experience the jobs that appeal to you. This will help you start thinking about whether the jobs you have picked are a real possibility for you.

Farming, Fishing and Forestry

Think about the jobs in this group if you are interested in:

Working with animals, working with plants, working with machinery, working outdoors

AGRICULTURE	FISHERIES		
Agricultural consultant	Aquaculture farmer	Naval Architect	Marine mechanic
Agricultural scientist/ Agronomist	Deckhand/Boat boy	Hatchery / Nursery Manager	Ship Captain
Agricultural technician/officer	Health and Safety adviser	Skipper	Fisheries Scientist
Dairy farmer	Marine Farm worker	Microbiologist	Fisheries technician
Farm worker/field worker	Seafood process worker	Aquaculture Cage worker	Industrial Fisherman
Farm manager/supervisor	fishery officer	Harvest worker	Marine and Ship Surveyor
Plant pathologist	Artisanal fisherman/woman	Hatchery Scientist/Biologist	Marine Engineer
Animal attendant	Trainer/teacher/lecturer	Maintenance worker	Food safety inspector
meat inspector	Seaman	Food Scientist	Aquaculture specialist
	Fish veterinarian		

HORTICULTURE	FORESTRY
Arborist	Forrest manager
nursery worker	Forrester
crop farm worker	Forestry and logging worker
florist	Forestry Scientist
flower grower	Health and Safety Adviser
gardener	Saw Doctor
Groundsperson	Wood machinist
Horticultural Consultant	Wood processing worker
Horticultural Contractor	Environmental officer
Horticultural Scientist	Biologist/Ecologist/Nature Conservationist
Landscape Architect	Environmental Economist
Landscape gardener	
Trainer/teacher/lecturer	

Science

Think about Jobs in this group if you are interested in:

Finding out how things work, developing and testing theories, inventing and experimenting, problem Solving

LIFE SCIENCES		PHYSICAL SCIENCES	
Agricultural Scientist	Horticultural Scientist	Climatologist	Research Chemist
Biochemist	Marine Biologist	Environmental Scientist	Science Technician
Biomedical engineer	Microbiologist	Geologist	Soil Scientist
Biotechnologist	Physiologist	Geophysicist	Urban/Regional Planner
Ecologist	Policy Analyst	Geospatial Specialist	
Food Technologist	Science Technician	Meteorologist	
Forensic Scientist	Urban/Regional Planner	Physicist	
Forestry Scientist	Zoologist	Policy Analyst	
	plant pathologist		

Animal Care and Conservation

Think about the jobs in this group if you are interested in:

Working with animals, protecting the environment

ANIMAL CARE	CONSERVATION	
Animal Attendant Dog trainer Pet groomer Veterinarian Veterinary Nurse 	Biosecurity Officer Climatologist Ecologist Energy Auditor Environmental Engineer Environmental Scientist Fishery officer Water treatment operator Zoologist	Marine Biologist Natural Resources Engineer Oceanographer Pest Controller Quarantine Inspector Ranger Soil Scientist Waste water treatment operator

Energy and Mining

Think about the jobs in this group if you are interested in:

Processing raw materials, operating machinery

RESOURCES		POWER AND WATER	
Chemical Engineer Chemist Driller Energy and Chemical Plant operator Environmental Engineer Environmental Scientist Geologist	Geophysicist Health and Safety Adviser Miner/Quarry manager Miner/quarry worker Mining Engineer	Cable Jointer Electrical Engineer Electrical Engineering Technician Electrical Fitter Line Mechanic laboratory technician (water) Waste and Water engineer	biochemist distribution engineer (elec/water) Electronic engineer pipe fitter water supply officer

Manufacturing

Think about the jobs in this group if you are interested in:

Making things, planning production, operating machinery, using your hands

FOOD PRODUCTION	OTHER PRODUCTION		SPECIALIST TRADES
Baker	Aluminium joiner	Product assembler	Cabinet maker
Biochemist	Chemical production operator	Production manager	Furniture Finisher
Biotechnologist	Clothing marker/cutter	Sewing machinist	Gunsmith
Brewer	Clothing pattern maker	Textile process operator	Locksmith
Brewery worker	Engineering machinist	Toolmaker	Picture Framer
Butcher	Glass processor	Wood machinist	Screen Printer
Dairy products maker	Health and safety adviser	Wood processing worker	Upholsterer
Food and beverage factory worker	Industrial Spray painter	Metal worker	Watchmaker and Repairer
Food technologist	Mechanical engineer	Plastics technician	Carpenter
Health and safety adviser	Mechanical engineering technician	Plastics worker	
Meat inspector		Print finisher	
Meat process worker		Printer	
Production manager		Seamster/Seamstress	
Seafood process worker			
fish cleaner/cutter			
fish recording clerk			
packaging and labeling worker			
machine/heavy plant operator			
warehouse porter			
air-condition and refrigeration technician/engineer			

Information Technology and Electronics

Think about the jobs in this group if you are interested in:

Finding out how things work, designing solutions, repairing and maintaining things, working with computers or electronic devices

INFORMATION TECHNOLOGY		ELECTRONICS
Business Analyst	Network Engineer	Electronics Engineer/technician
Computer Support technician	Programmer (analyst)	Electronics Trades Worker
Database Administrator	Project manager	Medical Electronics Technician
Game Developer	Systems Administrator	Telecommunications Engineer
Helpdesk operator	Text Analyst	Telecommunications technician
ICT manager	Web Developer	Biomedical Engineer
computer engineer	Website Administrator	Refrigeration/Air-conditioning Technician
IT technician	hard ware/software engineer	

Construction and Engineering

Think about the jobs in this group if you are interested in:

Finding out how things work, designing and building things, repairing and maintaining things, working with your hands

CONSTRUCTION PLANNING		CONSTRUCTION SERVICES	
Architect	Health and Safety inspector	Boat Builder	Floor and wall tiler
Architectural technician	Naval Architect	Bricklayer	Floor covering installer
Boat designer	Project manager	Building and Construction Manager	General labourer
Civil engineer	Quantity Surveyor	Building Contractor	Glazier
Civil engineering draughtsperson	Roading engineer	Building Insulator	Lift Technician
Civil engineering technician	Survey technician	Carpenter	Painter and decorator
	Surveyor	Concrete worker	Plasterer

Environmental engineer Geotechnical engineer Health and Safety Adviser	Urban/regional planner Water resources engineer 	Crane operator Drainlayer Driller Earthmoving Machine operator Electrician roofer Scaffolder Stonemason Welder	Plumber and gasfitter Refrigeration/air conditioning technician Roading construction worker Road marker site foreman
MECHANICS AND MACHINERY			
Aeronautical engineer Aircraft Maintenance Engineer Automotive Mechanic Boiler attendant	marine engineer mechanical engineer mechanical engineering technician refrigeration/air conditioning engineer	Toolmaker Tyre technician Vehicle body builder/trimmer Vehicle painter Welder	Engineering machinist Fabrication Engineer Locksmith panelbeater

Education

Think about the jobs in this group if you are interested in:

Teaching or training people, sharing knowledge

EDUCATION AND TRAINING			CULTURE AND HERITAGE
Driving instructor Early Childhood teacher Education Adviser Educational psychologist Headteacher Secondary school teacher	Special education teacher Speech -language therapist Teacher aide/support Nanny/child carer Policy analyst Primary school teacher Private teacher/tutor	Post secondary teacher/instructor Tertiary Lecturer Trainer Training and development adviser Curriculum developer 	Archivist Art Historian Conservator Curator Historian Librarian Library Assistant

Community

Think about the jobs in this group if you are interested in:

Helping or caring for people, improving communities

SOCIAL SERVICES		WELLBEING
Community worker	Workplace relations adviser	Counselor
Interpreter	Youth worker	Funeral director
Minister of religion/priest	Social worker	Health promoter
nun	Union organiser	Psychologist
Police officer	Urban/regional planner	Psychotherapist
Policy analyst	probation officer	Recreation coordinator
home carer	social development officer	
	sociologist	

Government, Law and Safety

Think about the jobs in this group if you are interested in:

Working with the public, protecting people and property, interpreting and challenging the law, investigating

GOVERNMENT	LAW	DEFENCE
Economist	Lawyer	Solicitor
Elected government representative	Court/legal clerk	Workplace relations adviser
Foreign policy officer	Criminal justice psychologist	legal drafting personnel
Policy analyst	Judge	State Counsel
Records adviser	Legal executive	Public Prosecutor
Statistician	Mediator	Notary
Urban/regional planner	Probation officer	Barrister
auditors		
protocol officers/diplomats		
Accountant		
employment officer		
engineers (civil, structural, site)		
License inspector		
		Air force airman/airwoman
		Airforce officer
		Army officer
		Army soldier
		Navy officer
		Navy Sailor

PUBLIC ORDER AND SAFETY			
Biosecurity officer	Emergency management officer	Health and Safety Adviser	Immigration officer
Building inspector	Environmental health officer	Health and Safety inspector	intelligence officer
Corrections officer	Firefighter	Detective	police officer
Customs officer	Fisher officer	Security officer/guard	Quarantine inspector
	Forensic officer		

Health

Think about the jobs in this group if you are interested in:

Treating and caring for unwell people, educating people about health, using technology to treat people, preparing and dispensing medicine

HEALTH SERVICES			
Acupuncturist	Dental assistant	Diversional therapist	Mental health nurse
Ambulance officer	Dental hygienist	Doctor(general medicine, specialist)	Nurse aide/assistant
Anaesthetic technician	Dental therapist	General practitioner	Occupational therapist
Anaesthetist'	Dentist	Gynaecologist/Obstetrician	Optometrist
Audiologist	Diagnostic radiologist	Health promoter	Osteopath
Chiropractor	Dietitian	Health services manager	Pathologist
Clinical coder	Dispensing optician	Home carer/aide	Pharmacist
Physician	Practice nurse	Hospital orderly	Pharmacy technician
Physiotherapist	Psychiatrist	Massage therapist	Phlebotomist
podiatrist	Psychologist	Speech language therapist	Laboratory technologist
epidemiologist	Radiation oncologist	surgeon	orthotist/prosthetist
nutritionist	Pharmaceutical technician	Radiographer/technician	
HEALTH TECHNOLOGIES			
Audiometrist	medical electronics technician	medical physicist	medical radiation therapist
biomedical engineer	medical laboratory scientist	medical radiation technologist	sterilizing technician
cardiac technician	medical laboratory technician	dental technician	

Arts and media

Think about the jobs in this group if you are interested in:

Expressing ideas creatively, collaborating with others, informing and influencing others, performing or entertaining people

CREATIVE DESIGN		PERFORMANCE AND PRESENTING	ARTS PRODUCTION
Animator Artist Body artist Clothing designer Craftsperson Exhibition technician Game developer Graphic designer Graphic pre-press worker	Illustrator Industrial designer Jeweler Photographer Signwriter Tailor/dressmaker Textile designer Visual merchandiser Web designer Web developer 	Actor Comedian Composer Conductor cultural officer Dancer choreographer Entertainer Journalist Model Musician Private teacher/tutor Radio presenter Singer Stuntsperson Television presenter Disc Jokey	Art director Artistic director Camera operator Cinema projectionist Costume designer Director Film and video editor Light technician Make-up artist Media producer Production assistant Record producer Sound technician Stage producer
WRITING AND PUBLISHING		ADVERTISING AND MARKETING	
Author communications adviser editor journalist	public relations professional technical writer translator	advertising specialist copy writer events manager	market research analyst sales and marketing manager survey interviewer

Business and Finance

Think about the jobs in this group if you are interested in:

Supervising or advising people, working with numbers

BUSINESS SERVICES		FINANCE	
Administration officer	Procurement manager	Accountant	Finance manager
Chief executive	Project manager	Accounts officer/technician	Financial adviser
Communications adviser	Property manager	Actuary	Financial dealer
Contact centre worker	Public relations professional	Auditor	Insurance agent
Data entry operator/transcriptionist	Receptionist	Bank worker (inshore/offshore)	Insurance claims officer
Debt collector	Records adviser	Cashier	Insurance loss adjuster
Human resources adviser/personnel	Recruitment consultant/personnel	Economist	Mortgage broker
ICT manager	Secretary	statistician	IT manager
Importer/exporter	Training and development adviser/personnel	financial controller	
Management consultant	Workplace relations adviser	tax officer	
Organizational psychologist	Personal assistant	bank clerk	
Payroll officer	marketing manager	audit technician/manager	

Sales and Personal Care

Think about the jobs in this group if you are interested in:

Selling goods or services, looking after people

RETAIL AND SALES			PERSONAL CARE
Auctioneer	Real estate Agent		Beauty Therapist
Buyer	Retail Manager	Hairdresser	
Demonstrator	Retail Sales manager	Barber	
Motor vehicle salesperson	Photographic Developer/printer	Make up Artist	
Sales representative	Purchasing/supply officer		
Service Station attendant	Sales and marketing manager		
Travel Agent			

Hospitality and Sports

Think about the jobs in this group if you are interested in:

looking after people, physical activity

HOSPITALITY AND TOURISM			SPORTS AND LEISURE
Bartender	Events manager	Tour Guide	Diver
Café worker	Flight Manager	Travel Agent	Events Manager
Café/restaurant Manager	Hotel Porter	Maitre d'Hotel	Fitness Instructor/trainer
Casino Worker	Hotel/guest house Manager	Tour Coach driver	Outdoor recreation guide/instructor
Caterer	housekeeper	Waiter/Waitress	Horse trainer
Check in Agent	kitchen hand	Chef	Professional sportsperson
food and beverage attendant	villa hostess/host	Cook	Recreation coordinator
cleaner	laundry personnel	night auditor	Sports coach/official
front office manager/supervisor	maintenance personnel	resident manager	Sports and leisure entertainer
telephone operator	guest relations manager/personnel	Spa attendant/manager	
gardener	pool attendant	Spa therapist	
	sales representative	security officer	

Driving and Distribution

Think about the jobs in this group if you are interested in:

Driving vehicles or operating machinery, storing or moving goods

DRIVING AND TRANSPORT		DISTRIBUTION
Aeroplane pilot	Driving instructor	Aircraft loader
Air traffic controller	Earthmoving machine operator	Courier
Aircraft refueller	Forklift operator	Customs/freight broker
Bus driver	Heavy truck driver	Mail sorter
Crane operator	Helicopter pilot	Postman/woman
Deckhand	Miner/quarry worker	Rubbish/Recycling collector
Dredge operator	Ship's master	Stevedore
Driller	Ship's officer	storeperson
Tour coach driver	Taxi driver	
Tow truck operator	inspector flight operations	
Aviation engineer	heavy duty mechanic	

Jobs I want to find out more about
